● View of the famous Pieta Grotto in the National Shrine of the world-wide Novena to Our Sorrowful Mother. The Pieta is in the lower church of Our Lady of Sorrows, Jackson Boulevard and So. Albany Avenue, on the West Side of Chicago, Illinois.

● This is an exact replica of Michaelangelo's famous masterpiece in St. Peter's Basilica in Rome where this Shrine Pieta was carved. It was brought to this country and exhibited in various cities before being placed in its present location. Special permission of the Pope was obtained to have this Pieta carved in St. Peter's Basilica next to the original masterpiece. The Sorrowful Mother Perpetual Novena was founded by the Servite Fathers in 1937.
